Whether you're building new, renovating your current hotel, or converting your property to an IHG brand, IHG Logistics Program can help with your logistics needs.

Many of the turnkey logistics services the program offers can be coordinated through a single supplier, and you'll have access to the industry experience provided by the combined support of the IHG Global Procurement team and approved logistics suppliers.

## VISIBILITY

Item-level visibility from manufacturing to install

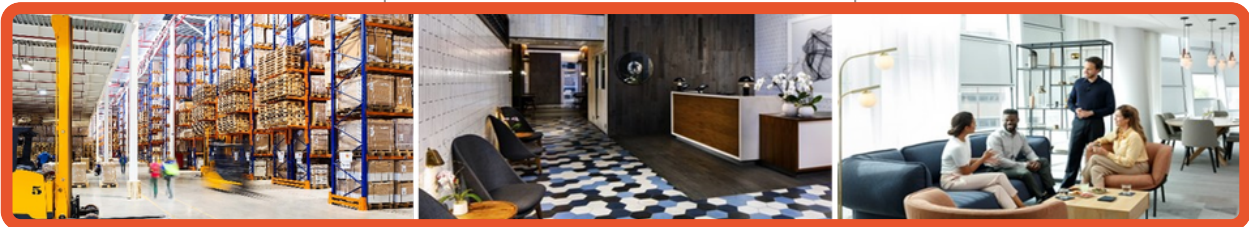

## TAILORED SOLUTIONS

Custom-designed support to help fit your needs

## TRANSPARENCY

Negotiated pricing at cost effective market rates
