

IHG® GLOBAL PROCUREMENT

Utilities Management Program

Designed to help drive savings and improve management of hotel utility costs

IHG's Utilities Management Program can help solve key issues by:

- Shifting complex utilities management from experienced utility service provider.
- Benchmarking and negotiating competitive pricing for a hotel's second largest operational expense.
- Providing dedicated property-level support.

EXPERTISE

IHG has contracted with a service provider for utility management solutions, Renodis, who has over 30 years of experience across the US and Canada.

SERVICE OFFERINGS

- Utility Invoice Auditing
- Electricity and Natural Gas Procurement
- Budget Benchmarking
- Green Engage Reporting
